

Dear Friends and Family,

My dance studio is participating in a pajama and book drive as our winter service project this year. We are collecting new pajamas and books for children in our community. We need your help! Please help me reach my goal to contribute to this worthwhile cause by getting involved!

You can help me by donating:

- New pajamas in all sizes (preemie to adult)
- New books for all ages

I can also accept monetary donations that will be used to purchase more pajamas! Send donations through Venmo to @danceforlife and include my name in the memo!

Please drop donations off at my house by Thursday, December 8, 2021. If you'd like me to pick up your donation, call my mom to make arrangements:

---

All proceeds from will be donated to the Utah Foster Care Foundation and other local children in need.

Thank you so much for supporting me in a great cause, together we can make a difference!

Sincerely,
